Classroom:

Food Program Option

Playtime Learning Academy offers an optional food program at a daily rate of \$7.00. There is an option to choose a weekly recurring rate of \$25.00 per week for Monday-Friday food program. *(Three day a week programs charge \$18.00 and two day a week programs charge \$12.00)* The food program includes a morning snack, lunch, and afternoon snack.

Parent Responsibilities

By signing this contract, you have chosen to opt-out of the school food program and provide your child's daily food. You acknowledge that the food provided must be healthy and nutritious. You acknowledge that the food provided each day must be adequate in quantity for a morning snack, an afternoon snack, and a lunch.

Account Charges

Your account will not be charged a weekly fee for the food program. However, if food provided is not adequate in quantity or quality, a \$7.00 charge will be added to your account and your child will be given food from the daily menu of snacks and/or lunches.

Example

An example of a typical day's food is: a granola bar and juice box for morning snack; cheese & crackers for an afternoon snack; sandwich, apple slices, carrots, and milk for lunch. (Playtime Learning Academy can provide milk, upon request, for lunches at no extra cost.) Tip: A thermos is a good way to send hot foods like pasta or soup.
